In fulfilling our objectives, CI Arb operates under a Golden Thread. It does so by delivering education, training and qualifications; developing the learned society; and facilitating the use of ADR mechanisms. This supplementary material facilitates each of these elements. Whether as a student following the CI Arb Pathways Programme or as an arbitration practitioner, this work provides a useful tool to enhance and develop the knowledge and practice of international arbitration. Anthony Abrahams Director General The Chartered Institute of Arbitrators is a learned society that works in the public interest to promote and facilitate the use of alternative dispute resolution (ADR) mechanisms. Founded in 1915 and with a Royal Charter granted in 1979, it is a UK-based institution that has gained international presence in more than 100 countries and has more than 13,000 professionally qualified members around the world. Chartered Institute of Arbitrators 12 Bloomsbury Square London, United Kingdom WC1A 2LP T: +44 (0)20 7421 7444 Registered Charity: 803725 International Commercial Arbitration is the fastest growing dispute settlement discipline. The complexities surrounding its regulatory framework combined with an ever-increasing and constantly evolving set of acts, rules, guidelines, protocols, regulations, national legislation, international treaties, and so on may appear daunting at first glance. This collection of documents or supplementary material is designed to provide the essential reading for all those who are eager to pursue a career in international arbitration. It will also appeal to arbitration practitioners wishing to have easy access to over 700 pages of arbitration-related resources.
