Pearson Education (US). Hardback. Book Condition: new. BRAND NEW, Health & Physical Assessment in Nursing (3rd Revised edition), Donita T. D'Amico, Colleen Barbarito, For beginning-level courses in baccalaureate and associate degree nursing programs that cover health assessment or physical assessment, such as Fundamentals of Nursing Practice and Introduction to Concepts of Nursing Practice. This text is also suitable to supplement courses in Medical-Surgical Nursing. Cover the key health and physical assessment skills that students need to think like nurses Health & Physical Assessment In Nursing helps nursing students master the art and skills of health and physical assessment that new nurses needs in order to care for diverse clients in virtually any setting. It systematically prepares students for success: readers first learn each technique; then demonstrate their skills; and finally, practice and test their knowledge. Assessment is presented holistically so that the latest principles of health promotion and client education are integrated alongside crucial concepts related to wellness, communication, and culture. The authors bring the material to life with hundreds of outstanding images, as well as engaging case studies and activities that help readers visualize the nursing process. Also available with MyNursingLab(R) This title is also available with MyNursingLab-an online homework, tutorial, and assessment program designed to engage students in the Fundamentals of Nursing course and improve results. Its guided learning path is proven to help students think like a nurse as they move beyond memorization to true understanding through application.
