Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Want to make more money playing poker? Only 10 of poker players are profitable, but the solution is easier than you think. One of the most important and overlooked aspects of the game is your range. This pertains to what hands you will and will not play. Of course, everyone will play AA, KK, QQ, and AK, but how far should that range stretch? Through trial and error, I have tested range theories for years. It didn't take long to find one that led to a very high winning percentage, but the wins weren't big and I wasn't getting a lot of action. This is NOT a negative if you play often and want small yet consistent wins. However, if you want to maximize your profits, then applying the adjustments I have made to this range should greatly increase your odds of long-term success. In this book, I don't just describe The Perfect Range. That would be boring. I'm not into boring. Instead, I tested The Perfect Range in 23 live cash games and three live tournaments. In order to add some flavor, I played in poker rooms in Florida, North Carolina, Atlantic City, West Virginia, and Connecticut. I was undercover in every instance. I also included my on-the-felt and off-the-felt misadventures, which I seem to have a knack for. Everything written in this book happened. I gave all characters I came across nicknames, but if you play poker in any of the states (or city) mentioned above, then it's possible that you will read about someone you know, or maybe even yourself. My first poker strategy book, *Poker Notes*, has received excellent feedback and...
