

The Tudor Garden: 1485-1603 (Paperback)

By Twigs Way

Bloomsbury Publishing PLC, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. Contrived, colourful and cultured, the Tudor garden was a paradise on earth, given over to pleasurable pastimes and aesthetic effect. Artificiality was the fashion of the age, with clipped and twining plants vying for space with brightly painted woodwork and patterned beds. Renaissance discoveries reared their heads in royal gardens, where gilded and painted heraldic figures mingled with fantastical sundials and glittering fountains. Walls kept out the wild world beyond, while mounts afforded glimpses to new parklands and provided raised platforms for the banqueting houses of the wealthy. Ever-changing with newly introduced exotic plants, yet featuring year-round knot gardens, the Tudor garden was a vibrant pageant, and is given a suitably colourful celebration in this fully illustrated book.

Reviews

This ebook is amazing. I actually have read and i also am certain that i will going to read once more again down the road. I found out this pdf from my dad and i advised this book to discover.

-- **Isaiah Swaniawski**

Completely essential read publication. I am quite late in start reading this one, but better then never. You wont truly feel monotony at at any moment of your time (that's what catalogs are for regarding should you question me).
