

Quality High School Curriculum for Alternative Settings

By Carole Mottaz

ROWMAN LITTLEFIELD, United States, 2003. Paperback. Book Condition: New. 223 x 147 mm. Language: English . Brand New Book. A large number of people choose to educate their children in settings other than the traditional high school. However, there is a challenge in finding a cohesive, coherent set of materials that meet standards that are common in most states. Today, there are alternative ways to provide education to students, which varies from how it has been done in the past. This book contains a complete set of required classes, along with grading rubrics and typical standards covered in settings such as private schools, charter schools, alternative schools, or at home. Anyone with good teaching skills and a firm background knowledge in the core subjects can use these materials to successfully teach a variety of high school classes.
