## Revolution Handbook

By William Bradford Cushman

Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Founding Fathers of the United States, all wealthy white men, felt strongly that only they were entitled to rule our new country. They enshrined this belief in law by limiting suffrage to men like themselves: male, white, property owners. This method was ultimately unsuccessful, and was overthrown in a series of forceful actions by the poor, by women, and by people with darker skin. Most of us now have the right to vote; we just don't have the right to have those votes counted in a transparent election. The Founding Fathers were deep thinkers who left little to chance. Their first control method failed, as they must have realized it would. But they built a second control method into our government that's main purpose is subtly concealed. Instead of a democracy our new country was formed as a republic. In a republic a small group of representatives are elected to implement the will of the people --- but in the United States our elected representatives do not represent the vast majority. Our representatives work exclusively...

### Reviews

*This is the very best book i actually have read till now. It is loaded with knowledge and wisdom I am just easily could get a satisfaction of reading a created ebook.*

-- *Ena Huel*

*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*
