

White City, Black City: Architecture and War in Tel Aviv and Jaffa (Paperback)

Filesize: 2.01 MB

Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Trystan Yundt)

WHITE CITY, BLACK CITY: ARCHITECTURE AND WAR IN TEL AVIV AND JAFFA (PAPERBACK)

PLUTO PRESS, United Kingdom, 2015. Paperback. Condition: New. 1st ed.. Language: English . Brand New Book. This is the history of colonialism as seen through the architecture of Israel/Palestine. Tel Aviv is the White City , said to have risen from the sands of the desert, acclaimed worldwide for its architectural heritage and gleaming Bauhaus-inspired Modernism. Jaffa is the Black City , the Palestinian city that was largely obliterated to make way for a new European-style architecture at the heart of a newly-formed Israel. Both a gripping narrative and a unique architectural record, this book shows how any city in the world is made not only of stones and concrete but also of stories and histories - victors and losers, predator and prey. In this way, the legend of the Black City and the White City, architecture and war, is our story too.
