The forward of this book consists of series of questions answered by the Most Honorable Elijah Muhammad in 1947 concerning the whys and wherefores behind the statement he made about fulfillment of the production and coming of the Divine Supreme Being whose proper name is Allah. This book is written in support for an Ancient truth about the people of God (Allah) and the people of the devil. The Black man must be awakened to the knowledge of self - that he is not what the white race has taught him to be. He must come out of this hopeless state. He thinks he is worthless. He should be brought into a state of worthiness and the knowledge and reality of his great place into which Allah, (God) in the Person of Master Fard Muhammad, will put him. He is to place him on top and not the bottom -- because the bottom is where he is today -- and make him no more the tail, but the head. He is to become the head of civilization of the new world or new heaven or earth. He is not to rule over this people, but he is to be the ruler of self, after the rule of the Caucasian, wicked world. --Elijah Muhammad--.
