Brand New Book ***** Print on Demand *****.If there were ever a time that the Church needed to know and recognize the voice of God, it is today. The wind of adversity is blowing throughout the world, and society is plagued with a spirit of uncertainty. Our nations leaders are constantly developing strategies to fix the problems our country faces, but they have no real answers. At best, they hope their ideas will be effective, but the kind of hope the world exercises is unstable because it has no substance. Through these weapons, he has caused millions of Christians to live defeated lives.God has made you to be more than a conqueror. But to overcome the forces the enemy throws at you means you must fight-take your stand and defend what is rightfully yours. All that separates a winner from a loser is the decision to be a winner. Only you can decide to win. Get in the fight. Don t run from responsibility. Jesus was a fighterand a warrior and He desires that you be one as well.This book will show you how to develop both defensive and offensive plans to defeat the five strategic plays included in Satan s playbook-how to become a winner in a world of quitters and losers.
