I didn't want to be a pirate, but there are times one must do undesirable things in order to survive. Under Mason Bentley's black flag, I ended up finding more than just the refuge I was seeking. He taught me to fight, inspired me to navigate, and by the time we reached Tortuga I was drawing maps so fine I could sell them. No longer a weeping, helpless woman, I took hold of my courage to face the cursed world that wished to punish me for witchcraft. Strong, rich, and free, I finally claimed my throne in this kingdom of thieves, but it was the love I shared with their king that cursed me with a burden I was not strong enough to bear. What good was it to be a queen if the only dominion I held was over a nightmare -Midnight- This item ships from La Vergne, TN. Paperback.
