paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub Date: 2012 Pages: 220 Language: Chinese in Publisher new curriculum of primary and secondary language: Zhongshan University Press. issued in November 2011. the total amount of the recommended recite classic poetry to 240 (paragraph) This is undoubtedly the scientific return of the traditional language education. is also in line with the laws of the child development and language teaching. Many language education the insight long pointed out that: reading is the root of language education in primary and secondary schools. children reading classic can exercise the memory capacity to improve their language literacy. sublimation ideological sentiment has laid the cultural foundation. Numerous great cultural. literary giants. the upbringing of academic celebrities. politicians tell us: a large number of classic works in the children's age lies at the heart of a person's life will have a positive and profound impact. In view of this. we have prepared a set classics reading. Taken together. this set of books has the following characteristics: a supporting textbooks. restore classic. As we all know. the current primary school language teaching materials has been widely questioned. the lack of classic text selection mediocrity and ideological education function over overstating the main cause of its being questioned. This set of reading books just to make up for this shortcoming. Book as the current primary school language teaching materials of various versions of a common set of supplementary teaching materials. the purpose of writing is authentic classic poem that whole generations have missed reading in the language classroom back to the next generation of children learning and life. so that they be able to enjoy the classic poem is beautiful and profound. Second. masterpieces gathered...
