Mockingbird, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a trade paperback reprint edition of S.L. MacGregor Mathers The Key of Solomon the King first published in 1888. It contains the original text, all 91 illustrations, and over 80 footnotes composed by Mathers, which detail his original research and translation of ancient manuscripts located in British Museums. Also provided by Mathers is the Order of the Pentacles of Solomon, the Ancient Fragment of the Key of Solomon, The Qabalistic Invocation of Solomon, and 15 plates full of figures, seals and charts to aid the reader in their work. Beware of other editions that do not contain all of the original material, as the the book is rendered useless without them. The work is traditionally divided into two books detailing the Key of King Solomon. Book One explains the operation of conjurations, curses, spells and other magical works. Book Two instructs the practitioner on the proper attire, purification rituals and other means of obtaining the goals of the Goetia. Between these two books is the list of plates that contain numerous illustrations and secret seals of Solomon, including the Mystical Seal of Solomon, the Pentacles of Solomon, and the Mystical Alphabet, which impart the mechanisms and requirements for the invocation of spirits and demons and other magical works or spells. Sometimes referred to as the Greater Key of Solomon, this work should not be confused with the Lesser Key of Solomon or Clavicula Salomonis Regis, or Lemegeton, which is based on similar source material and was also researched by S. L. MacGregor Mathers with the aid of Aleister Crowley. It is thought that The Greater Key of Solomon later inspired The Lesser Key as a derivative work: one with its own substantial value...
