WEST WITH THE NIGHT: A MEMOIR (PAPERBACK)

[DOWNLOAD](#)

North Point Press, United Kingdom, 2013. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book. A new edition of a great, underappreciated classic of our time Beryl Markham's *West with the Night* is a true classic, a book that deserves the same acclaim and readership as the work of her contemporaries Ernest Hemingway, Antoine de Saint-Exupery, and Isak Dinesen. If the first responsibility of a memoirist is to lead a life worth writing about, Markham succeeded beyond all measure. Born Beryl Clutterbuck in the middle of England, she and her father moved to Kenya when she was a girl, and she grew up with a zebra for a pet; horses for friends; baboons, lions, and gazelles for neighbors. She made money by scouting elephants from a tiny plane. And she would spend most of the rest of her life in East Africa as an adventurer, a racehorse trainer, and an aviatrix--she became the first person to fly nonstop from Europe to America, the first woman to fly solo east to west across the Atlantic. Hers was indisputably a life full of adventure and beauty. And then there is the writing. When Hemingway read Markham's book, he wrote to his editor, Maxwell Perkins: She has written so well, and marvelously well, that I was completely ashamed of myself as a writer . . . [She] can write rings around all of us who consider ourselves as writers . . . It is really a bloody wonderful book. With a new introduction by Sara Wheeler--one of Markham's few legitimate literary heirs--*West with the Night* should once again take its place as one of the world's great adventure stories.
