

Y08. The Skira Yearbook of World Architecture 2007-2008

By Luca Molinari, Pierluigi Cerri

Skira. Hardback. Book Condition: new. BRAND NEW, Y08. The Skira Yearbook of World Architecture 2007-2008, Luca Molinari, Pierluigi Cerri, This is a fully-fledged Skira Architecture house organ which presents the Skiras point of view on world architecture. Published annually, only in English, with a very heavy emphasis on the graphic side: from June to June (summer solstice); on sale date: October. The Yearbook includes: Wall paper: a number of double-page spreads featuring about a hundred of the most interesting projects built or designed during the year; Editorial: an essay with a systematic presentation of all news items, problems and key characters; Projects: a selection of 25/30 projects, themes, outstanding people or towns which have displayed significant content or results over the year. Each project is sumptuously illustrated and includes a critique by a well-known figure or an interview with the designers; Tools: Index of the Index: a selection of the worlds top architectural journals annual indexes; of international exhibitions and events; of interesting websites; details about the designers and the institutions mentioned; and, Work in progress: a few pictures of major, ongoing projects as a teaser for the next issue.

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).
