

## Handbook of Father Involvement: Multidisciplinary Perspectives (Hardback)

By -

Taylor Francis Ltd, United Kingdom, 2012. Hardback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. This second edition reviews the new research findings and theoretical advances on fathers, families, child development, programs, and policies that have occurred in the past decade. Contributors from a range of disciplines and countries showcase contemporary findings within a new common chapter structure. All of the chapters are either extensively revised or entirely new. Biological, evolutionary, demographic, developmental, cultural, sociological, economic, and legal perspectives of father involvement are described along with policy and program implications. Now with a greater international perspective, this edition considers demographic shifts in families in the United States and Europe. All chapters now follow a common structure to enhance readability and interdisciplinary connections. Each chapter features: Historical Overview and Theoretical Perspectives; Research Questions; Research Methods and Measurement; Empirical Findings; Bridges to other Disciplines; Policy Implications; and Future Directions. In addition, each chapter highlights universal and cultural processes and mechanisms. This structure illuminates the ways that theories, methods, and findings are guided by disciplinary lenses and encourages multidisciplinary perspectives. This extensively revised edition now features: \* Expanded section on Biological and Evolutionary Perspectives that reviews fathering in animal populations...
