Skyhorse Publishing, United States, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Acclaimed food stylist Denise Vivaldo shares the tips and secrets of the trade with cooks and foodies alike who want to become master stylists. It takes a steady hand to arrange the chocolate curls and drizzle the caramel sauce in elaborate designs on top of that sumptuous tiered cake. Whether for food blogs, television, books, magazines, movies, menus, or advertising, food stylists and photographers learn to slice, plate, tweak, and arrange so the dish becomes less a bit of food and more the work of an artisan. With Denise and coauthor Cindie Flannigan s help, you ll find out how to get started, what equipment you ll need, how to find clients, tips to staying successful in the business, and-most importantly-how to craft and style food (and products that appear to be food) so it all looks delicious from every angle. This paperback edition of The Food Stylist s Handbook has been fully updated and revised to help current culinary professionals, armchair chefs, bloggers, and food photographers understand how to make every picture tell a story.
