Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Chris Higgins (illustrator). Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Greetings reader! I m Flartus Flubberwonk. Look for me inside this book, along with a mess-making monster and a giant salamander. Plus a CatElephant. Yes, I know you re wondering what that could possibly be. Just read to find out--it s in the story about a circus and a magnificent mustache. Also there s a massive, menacing machine that spits out word riddles. And donuts. Giant, dangerous, donuts. Plus many more marvelous moments too numerous to mention. Currently, I m FAR too busy inventing enormously important inventions to give you this introduction. Alright, I ll do it anyways. Fourteen short stories are in here, each one a bodacious blast of captivating creatures and kooky characters. Be they real, magical, strange, whimsical, and/or all of the above. Ideal for reading aloud as you walk on the sun, sail a grand pirate ship, help a fallen wishing star, or witness an awesomely mighty thunder wink. You ll find many imaginative illustrations inside, as well as several clever design details, and a few extra.uhhhh.extras. All in all it s a creatively made, cleanly written, entirely appropriate, utterly enjoyable collection for boys and girls of the ages 6-12. On the author s website, there s lots more info about this book plus some cool bonus content. Such as coloring pages, art inspirations, etc. You can get there through his Amazon Author s Page. Oh, and be sure to check out the story list below. There s some wonky ones on there. Including my tale, which is at the end, so they obviously saved the best for last. Now, do leave me alone so I may return to my impossible to-do list. Thank...
