Brand New Book ***** Print on Demand *****.Your search for a book that shows you how to brew beer is over! Great Beginner s book! The problem solving section at the very back is a God send for noobs! Easy read and will continue to be very useful as a reference guide. This is an excellent beer brewing book for anyone who wants to brew beer at home but never has. In the kits you buy at the stores they don t give you half of the items you need or even how to start instructions of any kind. The author fills in all the blanks in an easy and understandable way to the novice. I would recommend this to any one looking for a good strong starting point. Quick and easy read too, not too complicated or technical. Great for the first time brewer! The book covers the basics of a simple brew. Once you have this down, it makes it easy to move on to more recipes. Brewing beer is simple, but one tiny mistake could destroy your entire five gallon batch. That is over 50 beers! Do you want to waste your time and money? Do you want to throw away five gallons of beer? This book will teach you how to avoid making all the common mistakes that first time brewers make all the time. Don t start your first batch of homebrew with out it! Brewing beer is a completely natural process. If you can boil water, then you can learn how to brew beer at home. It is simple and affordable. Somewhere in the grand scheme of things, we were supposed to brew beer, not drink this watered down...
