

How is the Empire Scott Musgrove Postcards

By Scott Musgrove

Last Gasp. No binding. Condition: New. 24 pages. Dimensions: 6.2in. x 4.1in. x 0.6in. Scott Musgrove unearths previously undiscovered animals through a dedicated and scientifically un-approved practice of zoological impressionism. He ventures where the graymaned, khaki-clad, anthropologists with ivory walking sticks have not -- tunneling beneath freeways and ditch-combing along the rough borders of American mini-malls, in search of undiscovered and, up to this point, at least, extinct animals. How is the Empire features 12 full-color reproductions of Musgroves delightfully strange fauna. This is a bound postcard book with removable cards. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Card Book.
