

Periodontology for the Dental Hygienist (Paperback)

By Dorothy A. Perry, Phyllis L. Beemsterboer, Gwen Essex

Elsevier Health Sciences, United Kingdom, 2013. Paperback. Condition: New. 4th Revised edition. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. PERIODONTOLOGY FOR THE DENTAL HYGIENIST covers all aspects of periodontology, from the history of its study, to client assessment, to therapeutic and surgical approaches. The bulk of information is organized to be directly applicable to what hygienists will need to know to treat clients effectively. Also included is discussion of how periodontal conditions relate to general health and systemic factors. Now in full color, the detail and attractiveness of the content keep it ahead of its competition. Students of dental hygiene will find this book their cornerstone of periodontology, while practicing dental hygienists will find Periodontology for the Dental Hygienist an invaluable reference source. Comprehensive, dental hygiene-specific content provides an in-depth look at all the areas of periodontics that directly affect the dental hygienist's role in oral health care. Focus on evidence-based practice reflects the best of current thinking as related to the treatment of gingival and periodontal diseases and conditions. High-quality radiographs, histographs, and color clinical photos depict many gingival and periodontic...

Reviews

The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.

This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).
