Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Valves, Valve-Gears and Valve Diagrams The material in this book, aside from the drafting-room problems, has been arranged for class room and recitation work after extended visits to drafting rooms in which the work in the design of valves and valve gears was being carried on in a practical way, and it is believed that the methods here presented will be found to agree fairly well with general practice.
