## MADEIRA WALKS: CHALLENGING TRAILS HIGH ALTITUDE ROUTES VOLUME 2 (PAPERBACK)

Discovery Walking Guides Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. As a walker s paradise, Madeira has it all - majestic mountains, rugged coastline, ancient forests, a unique levada network and verdant flora; easy to see why so many walkers return year after year. In 2015 Madeira was voted the World s Best Island Destination by the World Travel Awards the final accolade from the previous two years when it was voted Europe s Leading Island Destination . Quite an achievement, brought about largely by the substantial EU investment over the past decade in the improvement and development of the island s infrastructure and facilities. One of the initiatives focused on improving and creating new walking trails which has resulted in Madeira now being regarded as one of Europe s top hiking destinations.To date, around thirty routes on Madeira have been designated Recommended Trails for Hikers and currently our guides are the only publications to include all these trails. We have also taken on board the many comments received from walkers over the last few years. Taking all the above into account, we ve reorganized our books into a compendium of two editions; Madeira Walks: Volume One, Leisure Trails (published May 2015) included the shorter and easier trails whilst Madeira Walks: Volume Two covers 40 more challenging and high altitude routes. There s a good balance including coastal routes, forest trails, moorland and mountain pathways and levada walks although the terrain varies greatly. We ve introduced a number of new routes whilst continuing to include our favourite off the beaten track trails, so regardless of fitness, age or ability, there s something for everyone. Both books are arranged by geographic area, then by exertion rating under each heading. All the trails have been surveyed...
