Reviews

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

LIFETIPS 101 PSYCHOLOGY DEGREE TIPS

LifeTips.com, Inc. Paperback. Condition: New. 104 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. Psychology is such a complex topic. There are thousands of concepts, theories and research findings concerning it, and there are just as many applications for it. As a result, finding out what types of psychology there are, the kinds of degrees available, and how these fit in with your psychology or other career aspirations can be hopelessly difficult. This book will answer many of the questions you have now, if you're interested in attaining a psychology degree, and also questions you haven't thought to ask yet. It will also lead you to sources that can help you further in your quest for an education in psychology. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
