Kent State University Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Those from Cuba knew they were possibly leaving for the rest of their lives, just for the chance to play in a country still struggling with diversity in the 1950s and 1960s. Yet many Latino players still speak as if not much has changed. Far from perfect, their no-rules journey to professional contracts...
