Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.People are seldom neutral in their thoughts on retirement. Some relish the idea and visualise it as a long and carefree holiday. Others view it with anxiety and dread wondering about their financial futures and whether they will be bored as they, sit in God s waiting room . Many are somewhere between these extremes and, quite naturally, are likely to have mixed feelings as the time to retirement comes upon them. Into the Unknown; early reflections on retirement has been written by four retired professional women together with some guest writers. It covers a wide range of areas detailing many of the joys, challenges and newfound freedoms of the recently retired. Its intention is to provide as open and honest accounts as possible of the authors own experiences and feelings enabling readers to explore their own thinking at this dramatic time in their lives. Such a springboard is designed to help others appreciate that they are not alone and that, despite some of the challenges they might face, retirement can be highly rewarding and fulfilling. The book is divided into three sections. The first are the authors thoughts on retirement with each of them exploring issues raised by the lead author (Anne Cockburn). Key to these chapters is the way in which the writers discuss the transitions from working life into retirement. Thus, for example, Leaving the driving seat examines some of the emotions and adjustments made from being a leader in the workplace to the adoption of more modest roles in a new daily environment. Routines raises questions surrounding the need for some to have a specific structure to their day while Holidays is a reminder that even the retired...
