RAINBOWS RATHOLES: BEST PRACTICES FOR MANAGING SUCCESSFUL PROJECTS

Booksurge Publishing. Paperback. Condition: New. 166 pages. Dimensions: 8.6in. x 5.9in. x 0.6in. The purpose of this book is to bridge the gap between the theory and practice of project management by presenting proven and practical guidelines that can be immediately applied for successful management. This book is organized as a series of essays on the what and how of successful Project Management, each one dealing with a specific and practical aspect of Project Management. The essays serve as windows into the world of Project Management and present an integrated panoramic view of challenges and best practices. It is my sincere hope that professionals at all levels and in various functions of management including executives, engineers, project managers, systems analysts, client representatives, team members and students of Project Management will find this book useful. Avoid the rat holes and catch the pot of gold at the end of the rainbow with the ideas described in this book. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
