Inner Traditions Bear and Company. Paperback. Book Condition: new. BRAND NEW, Star Ancestors: Extraterrestrial Contact in the Native American Tradition (2nd Revised edition), Nancy Red Star, As humanity stands at the crossroads between the Fifth and the Sixth Worlds, American Indian wisdomkeepers have recognized signs that they must now speak their closely held knowledge about extraterrestrial contact, their original instructions from the Sky Elders. These ET relationships have existed since the beginning of time. They have been depicted on ancient rocks and hides, embedded in creation stories, choreographed in sacred dances, beaded on wampum belts, and continued to this day through rituals and the tobacco blessing. They show that with the vital support of our Star Ancestors, we can bring our planet back into balance with natural laws. Exploring the unifying "Sky Elder" theme found in virtually every Indian culture, Nancy Red Star shares her profound interviews with wisdomkeepers from several Native traditions, including Mayan elder and daykeeper Hunbatz Men, Stargate International CEO and UFO researcher Cecilia Dean, and Choctaw medicine man Sequoyah Trueblood, and offers their teachings on taking our rightful place among the peoples of the universe. Laying out a path for rebuilding our world, the Sky Elders' original instructions initiate us into the possibility of a coming time of peace. Inviting all peoples to realize their Star ancestry, the women and men of proud lineage and inspiring wisdom who share their experiences here offer us a survival plan for walking into the next world.
