Trafford Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Ring around the Rosie A pocket full of posies, Ashes! Ashes! We all fall down! As a little girl growing up singing Ring Around the Rosie, little did I know, that this would become our family ballad. My maternal grandpa used to say, One day this family will destroy itself! How could I possibly understand what that meant? But I remember him saying it, all the same. Grandpa s prediction now rings true, as our family did destroy itself and fell to the ashes with the final act of our mother s passing. She left a carefully woven Gordian knot through deceptive means in her death wake of such vast proportion and complexity that it may never unravel. The death and passing of a loved one is difficult, even under the best of circumstances. But if the ties that bind left behind unaddressed confusion, misunderstandings, and/or deceit, the pain can run deep and leave a lasting nonnegotiable imprint, limited not to just one member, but the entire family for generations to come.
