

Wichita (Paperback)

By James E Mason

Arcadia Publishing (SC), United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Wichita, Kansas, was founded in 1870 as a small frontier cow town. By 1900, after having gone through one of the most remarkable real estate boom-and-bust cycles in US history, it had become the largest city in the state and a regional hub of commerce. Wichita flourished between 1900 and 1940, and its population quadrupled as it became a world leader in aircraft production. Picture postcards were introduced just as Wichita entered this latter phase of development, and the colorful new form of communication amply documented Wichita s history during those years.
