Filesize: 2.46 MB

Reviews

A high quality ebook along with the font employed was fascinating to read. It really is written in easy phrases rather than confusing. I am just easily can get a satisfaction of looking at a composed publication.

(Isai Bradtke)

NOT MUCH JUST CHILLIN (PAPERBACK)

Random House USA Inc, United States, 2007. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Suddenly they go from striving for A s to barely passing, from fretting about cooties to obsessing for hours about crushes. Former chatterboxes answer in monosyllables; freethinkers mimic everything from clothes to opinions. Their bodies and psyches morph through the most radical changes since infancy. They are kids in the middle-school years, the age every adult remembers well enough to dread. Here at last is an up-to-date anthropology of this critically formative period. Prize-winning education reporter Linda Perlstein spent a year immersed in the lunchroom, classrooms, hearts, and minds of a group of suburban Maryland middle schoolers and emerged with this pathbreaking account. Perlstein reveals what s really going on under kids don t-touch-me facade while they grapple with schoolwork, puberty, romance, and identity. A must-read for parents and educators, Not Much Just Chillin offers a trail map to the baffling no-man s-land between child and teen.
