Irwin Law Inc, Canada, 2000. Paperback. Condition: New. New. Language: English . Brand New Book. Alternative dispute resolution (ADR) has come to have an enormous influence on disputing practices in North America and beyond. It is now, more than ever, necessary to study and be familiar with ADR developments. This book takes you on a journey into the science, skills, and law that make up this exciting new field. Readers will have opportunities to consider the conflicting meanings attributed to ADR and to decide which ones make most sense for them. The book covers the major disputing processes with an emphasis on negotiation, mediation, and other consensual processes; points to the diverse skills needed to be proficient in ADR; examines the developing law of ADR; shows how ADR may be applied in practical case scenarios; and predicts the factors that will most affect ADR s future development.
