

A Mind Apart: Travels in a Neurodiverse World (Paperback)

By Susanne Antonetta

Penguin Publishing Group, United States, 2007. Paperback. Condition: New. Reprint. Language: English . Brand New Book. This beautifully written exploration of -the unusual abilities of those who are differently wired- (Psychology Today) received a Ken Book Award from the National Alliance on Mental Illness for outstanding literary contribution to the world of mental health. In this fascinating literary memoir, Susanne Antonetta draws on her personal experience as a manic-depressive, as well as interviews with people with multiple personality disorder, autism, and other neurological conditions, to form an intimate meditation on mental -disease.- She traces the many capabilities- the visual consciousness of an autistic, for example, or the metaphoric consciousness of a manic-depressive- that underlie these and other mental -disabilities.- A stunning portrait of how the world shapes itself in minds that are profoundly different from the norm, A Mind Apart urges readers to look beyond the concept of cures to the gifts inherent in many neuroatypical conditions. Employing a wide-ranging approach to her subject, Antonetta provides a rare glimpse into the wildly varying landscapes of human thought, perception, and emotion.

Reviews

The ebook is easy to go through easier to recognize. We have studied and I am certain that I will plan to read through once again once again in the future. I am quickly getting a pleasure of studying a composed publication.

-- Prof. Adah Mertz Sr.

Great eBook and beneficial one. It is packed with wisdom and knowledge. You won't really feel monotony at any time of your respective time (that's what catalogs are for relating to if you check with me).
