Joes 2 Pros International LLC, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.SQL Server is a very network aware service and this includes the security subsystems. SQL has its own security and interacts with the security domains it is operating under. Knowing the terms and basic uses of Windows security will make knowing how SQL Server interacts with that far easier. This book explores the security features of SQL server and how it works with its database and the overall network.
