The Gospel: King Trump Version is a literal indictment against the Evangelical Church. What this Gospel does is the same thing Christian Trump supporters did during the election: take Jesus out in order to put Trump in. The book puts the campaign actions and sayings of Donald Trump in the Biblical format of the Gospel of Mark, as a witness against all those who claim the name Christian while also voting for Trump. And as the Republican National Committee wrote on Christmas to their followers, Herald Your New King.
