McGraw-Hill Education on Brilliance Audio, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Exciting new technology is revolutionizing healthcare in the twenty-first century. This visionary guide by Cleveland Clinic s esteemed CIO shows you how to design, implement, and maximize your organization s IT systems to deliver fully integrated, coordinated, high-quality care. You ll learn how to: Collaborate with patients: Track and monitor patients progress and communicate with them any time, anywhere.Coordinate multiple caregivers and care teams: Build a network of communication among healthcare professionals across disciplines in different locations who are working on a single patient case; and integrate various IT systems into a fully functioning network.Optimize electronic medical records: Quickly pull up and share patient histories, test results, and other essential data to provide timely care; and expand real-time access to clinical data and research.Use IT for competitive advantage: Enable live chats, virtual visits, and online second opinions; create a content-rich, user-friendly website; build a social media strategy that engages patients and caregivers alike.Using the latest advancements in IT, you ll be able to access and apply a wide range of online tools and field-tested strategies to any organization. Go behind the scenes at Clinic Cleveland to see how caregivers executed their IT strategy in a working environment--and how patients benefited as a result. You ll find simple but powerful ways to expand your IT network and provide personal, one-on-one care to all of your patients, anywhere in the world. By connecting your patients with caregivers--and caregivers with each other--you ll be better equipped to diagnose conditions, recommend treatments, and monitor patients in ways that weren t even possible 10 years ago. And you ll see a vision of where IT is headed in the Internet of Healthcare. This is the future of healthcare. It s...
