He takes readers from one dating encounter to the next with vivid portrayals of colourful and humorous characters - ladies with small dogs, those with large ones. A woman with her muscle car, and another with a donkey. You will learn about the difference between a meeting and a proper date, and discover one woman's date rules that will have you sitting on the edge of your seat. He recalls his childhood in Cape Town with stories of true-life characters that are used to compliment those of his encounters on the online dating scene.
