We are living in one of the most exciting times in this world s history while we await the Return of Jesus Christ and the Rapture of the Church. Compelling evidence for His Soon Return can be seen all around us as we examine modern events in the light of the Scriptures. I believe the Scriptures make a strong case for the Rapture of the Church. It s the next exciting event on our Christian calendar. The Rapture briefly examines the Lord s Promise to return for His Church and the Early Church expectation of this great event. Many Bible scholars taught about the Rapture in the early history of the Church and still do, right up to the present time as the Church Age draws to a close. The essential differences between the first and second phases of the Lord's return are noted and evidence from the Book of Revelation compared to teaching from the prophetic book written by Daniel. Jesus Christ is coming back again. just as He promised. We have a wonderful future ahead. This book will excite, motivate and encourage you!
