Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. From the INTRODUCTION. We are informed that dramatic history in New York began more than a century and a half ago. The first dramatic performance ever seen in America was given in this city during the last week in September, 1732. The first playhouse was the Nassau Street Theatre, on the east side of Nassau Street-then called Kip-between John Street and Maiden Lane. It was a wooden structure, and opened March 5, 1750. Kean and Murray were the managers, and the play for the first night was Richard III. There were performances twice a week, and the season lasted for five months. This house gave way to a new one, built in 1753 by Lewis and William Hallen, the one a manager, the other an actor; but in a few years the new house was converted into a church for the use of the German Calvinists. David Douglass built in 1761 a theatre at Nassau and Beekman streets, where Temple Court now stands, at which, on November 26th of the same year, Hamlet was presented for the first time in America. The cost of this playhouse was \$1625. The dimensions were 40 by 90 feet. From 1761 to the present time what a contrast and advancement are perceptible! The Madison Square Garden and the Metropolitan Opera House, built within the last six years, are of special prominence because of their magnitude as buildings and of the expenditure of enormous sums of money. The Madison Square Garden in magnitude is the more important of the two. It is the largest building in America devoted entirely to amusements, and cost about \$3,000,000. It occupies the entire block bounded by Madison and...
