After thirty years of being haunted by his traumatic past, justice was finally served for Thomas. His molester turned pedophile murderer was executed through death row. He suffered sexual abuse from a Wisconsin summer resort employee, Wayne Summerdale, when he and his family visited there when he was still ten years old. It was a tragic memory from Thomas s past that caused struggle as he was growing up. He joined the navy, hoping to move on. But his past kept haunting him. Even after Summerdale s execution, Thomas still feels uneasy. Suffering from post-traumatic stress disorder, he revisited his past wanting to find answers for his own unknown queries. He meets Steven, a vibrant fourteen-year-old boy, who will give him sweeter justice and another chance of redemption.
