Penguin Putnam Inc, United States, 2002. Paperback. Condition: New. Reissue. Language: English . Brand New Book. The art of needlecraft requires patience, discipline, and creativity. So, too, does the art of detection. Just ask Betsy Devonshire who's learning that life in a small-town needlecraft shop can reveal an unexpected knack for knitting and a hidden talent for unraveling crime. A Murderous Yarn Heavens to Betsy Devonshire! She never intended to get so caught up in this year's antique car race. But as sponsor of one of the entrants, she can't help but keep a close eye on the outcome and it's not pretty. One of the drivers never makes it to the finish line. His car is found exploded in flames. Now Betsy and her crafty friends must determine if it was an accident or the work of a jealous competitor. The answer may be in a piece of needlework, but pinning down a suspect won't be easy.
