This is a unique book that will be valuable to both graduate students and professional advanced practice nurses. Since the role of the DNP graduate is evolving, this is an important contribution to the field. It focuses on the developing discussion of practice and graduate degrees in the field of nursing and provides up-to-date information about the evolving and expanding roles of DNP graduate nurses. Score: 100, 5 Stars.--Doody's Medical Reviews (2013) This outstanding and thought provoking book provides the knowledge to not only understand the issues and role related challenges of doctoral advanced nursing practice but the inspiration to embrace the role and become a transformer of healthcare. The use of reflective responses throughout the chapters by national DNP scholars, practitioners, and experts is a gift to the field. --From the Foreword by Bernadette Mazurek Melnyk, PhD, RN, CPNP/PMHNP, FNAP, FAAN Dean and Distinguished Foundation Professor Arizona State University College of Nursing Health Innovation Functioning as both a graduate and professional textbook, Role Development for Doctoral Advanced Nursing Practice explores the historical and evolving role of the new doctoral advanced practice registered nurse. This innovative text presents a distinctive two-part chapter organization that provides content followed by one or more Reflective Responses, which consist of commentaries that may counter or support the opinions of each chapter author. Written by well-known DNP leaders representing the diverse roles and experience of academics, administrators, and practitioners from different DNP programs, these Reflective Responses initiate thought-provoking classroom discussion. This stimulating and provocative text presents issues germane to DNP education, core competencies, and unfolding role development. It is an essential resource in DNP...
