THE REALITY CREATOR S HANDBOOK (PAPERBACK)

Seth Returns Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Reality Creator s Handbook is the most accessible and inspirational Seth book ever written. It takes the mystery and the confusion out of the magical approach to living that Seth has proposed for decades. By reminding us of our innate connection to Spirit Seth empowers us to create the world we wish to inhabit. Through continually affirming this association we align ourselves with the Earth within Natural Time. Guided by the Phases of the Moon we are able to implement our Visionary Projects and practice a type of Sethian Magic. This is the Path of the Conscious Co-creator: one who is comfortable in both the subtle and the physical worlds. Though Seth is speaking primarily to his students, the interested beginner will also benefit tremendously from the enlightening exercises and ideas offered in this book. Seth will change your life!.
