## Applied Probability and Statistics speak of instances selected (elective institutions of higher learning through quality education materials)

By XIE ZHONG JIE

paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 333 Publisher: Peking University Pub. Date :2011-08-01 version 1. Instance of the application of probability and statistics about election is a probability and statistics about how to apply multi-disciplinary study of the practical problems of empirical analysis of the materials. This book is divided into three parts: the first is to supplement some of the time series analysis. filtering and prediction theory and methods. the basic knowledge. they read the book. the theoretical basis of each case. Second is the actual case studies. from which the reader can see the work of its authors in the study is how the theory of probability and statistics and methods widely used to solve practical problems and issues into the core of the tool. More importantly. readers will learn from the case. how the probability of a practical problem into statistical problems. which is the difficulty of mathematical reality. Third. not only provides a lot of real. multidisciplinary field of data records. and the author Xie Zhongjie the current study and questions raised by the real sector. put forward a number...
