Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Arbor Day: Its History and Observance Arbor Day, from being only a humble expedient of one of our Western States a few years ago, has become a national holiday and one of our important institutions. Its original design has been modified since its observance has become associated with our schools. It is now not only a day for tree planting for economic and aesthetic purposes, but its observance has been made the means of securing much valuable knowledge in regard to plant and tree life, of cultivating in the young the powers of observation, and kindling in their minds an interest in natural objects which will be a lifelong source of benefit and pleasure.
