CORRESPONDENCE STUDY IN UNIVERSITIES AND COLLEGES, VOL. 10 (CLASSIC REPRINT)**DOWNLOAD**

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Correspondence Study in Universities and Colleges, Vol. 10 Sir: A very large and important part of the extension work of universities, colleges and departments of education is done through correspondence, thus giving to large numbers of men and women who can not go to college or attend set courses of lectures an opportunity to profit by well-directed reading and study and by scholarly criticism. To make it possible for all educational extension agencies to profit by the experience of those which have done most in this particular line of work, I recommend that the manuscript transmitted herewith be published as a bulletin of the Bureau of Education. It was prepared at my request by Dr. Arthur J. Klein, now executive secretary of the National University Extension Association, and formerly associate director of the Educational Extension Division of this Bureau.
