It happened between 1945 and 1946 at the headquarters of the Archdiocese of Detroit in the Chancellor s office. Msgr. John C. Ryan called an emergency meeting with the cardinal. And so the stage was set for the years of turmoil that followed and the subsequent demise of this once vibrant church. Here comes the author who gives the reader an intimate look at her church, the township she grew up in, and its historical significance to World War II, Henry Ford s auto plant, migration from the south, and the housing crisis that was unfolding. The reader is introduced to the pioneers of this West Eight Mile Community who helped shape and establish this community that shaped her. But the book takes a different turn as the research uncovers forgotten secrets. Today (2014) this little church is in danger of closing its physical doors forever!! Stay tuned as this story continues to unfold.
