

The Tale Of Greta Gumboot And Other Stories (Paperback)

By Lee Pritchett

Chipmunkpublishing, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Description The Tale of Greta Gumboot and Other Stories is an exciting collection of magical tales about the adventures of brave (and not so brave) boys, girls, wizards, witches and talking animals. The stories are set in strange and wonderful worlds, sparkling with magic. There s also a selection of children s rhyming stories like poetry that will hopefully provoke the odd bout of joyous laughter and the occasional gasp of surprise. These include some of my favourites the Epheline stories. He s part cat, part Elephant, particularly cute, furry and purple as they come. He has the ability to let out a magical musical whistle, that sends children safely to sleep back in there own soft, warm beds. He prefers only to come out at night and is about to make some wonderful new friends in the woods and the park. Aimed at boys and girls ranging in age from five years old to nine. There s plenty of fun and adventures for any child. I hope you all enjoy reading it as much as I enjoyed writing it. About the Author...
