Excerpt from After Walden: Thoreau s Changing Views on Economic Man The product of Thoreau s intellectual sounding was an outlook not unlike that of the other reformers. Its ideal was self-culture: life aimed at full realization of every man s and woman s innate capacities. Its embodiment was to be in one man standing opposed to the industrial order. But when Thoreau came to test this theory at Walden Pond, he found its major elements incompatible with two areas of actuality the America to which they were being applied, and the aspect of his personality which spontaneously responded to this America. It was this incompatibility that returned him to Concord, to a maturity radically different from the youth of which the life by the pond had been the climax.
