## HOPE, WHAT YOU LIVE FOR

Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What is hope? How do you get it? We hope for what we do not see or have. Hope is a trust or certainty of expecting something and we get it from God. Though we know hope is out there, we often get discouraged and ask What s the use? Even the righteous person Job asks the Lord: Why won t God give me what I ask? Why won t He answer my Prayer? Have you felt this way too? Wendy certainly has and that is why Hope What You Live For, Finding Your Future s Path Through God s Word was her first book. The answer to the question How do we get hope? lies along God s path found in His Word. Wendy wishes that you find hope in your life and live in that hope and trust. This first book in the ShortCut Series will give you motivation, encouragement, and a reason to get up and go forth seeking the straight and narrow path that God tells us about in His Word. Hope has an introduction, the Bible verses with Hope in them, a commentary, and then a thought provoking story at the end.
