BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 28 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Pursuant to a congressional request, GAO reviewed three military services fiscal year (FY) 1991 budget requests, focusing on: (1) the Army's justification for its 2.7-billion request for 13 missile systems; (2) the Marine Corps 10.1-million request to procure missiles; (3) the Navy's 42.1-million request to procure missiles; and (4) whether unused funds could be rescinded. GAO found that the services could potentially reduce 887.4 million of their FY 1991 budget requests for 6 missiles and rescind 326.8 million from FY 1990 appropriations for 3 missile systems, resulting primarily from: (1) deferral of requests for procurement funds to future years; (2) questionable requirements; (3) reduced requirements; (4) actual costs that were less than anticipated costs; and (5) recalculated amounts using more current information. GAO also found that the services could potentially reduce their procurement requests for two other missile systems under certain conditions. This item ships from La Vergne, TN. Paperback.
